# Move

## Competitive price to quality ratio

The "Move" offers an exceptional price to quality thanks to the budget-friendly WP-H74T handset, designed to deliver high-performance without compromising on functionality.

## Rectangle columns

This desk distinguishes itself with unique rectangle columns while maintaining the same stability as comparable models. Additionally, the presence of rectangle columns contributes to a more modern appearance for both the desk and the surrounding environment, particularly when in large numbers.

## 5 year warranty

Reliability is key when it comes to a height-adjustable desk, especially for larger office projects. The frame is therefore provided with a 5 year warranty period, supporting the quality, durability, and longevity that this frame stands for.
