3c

Do not overtighten
Nicht überdrehen
Ne serrez pas trop les vis

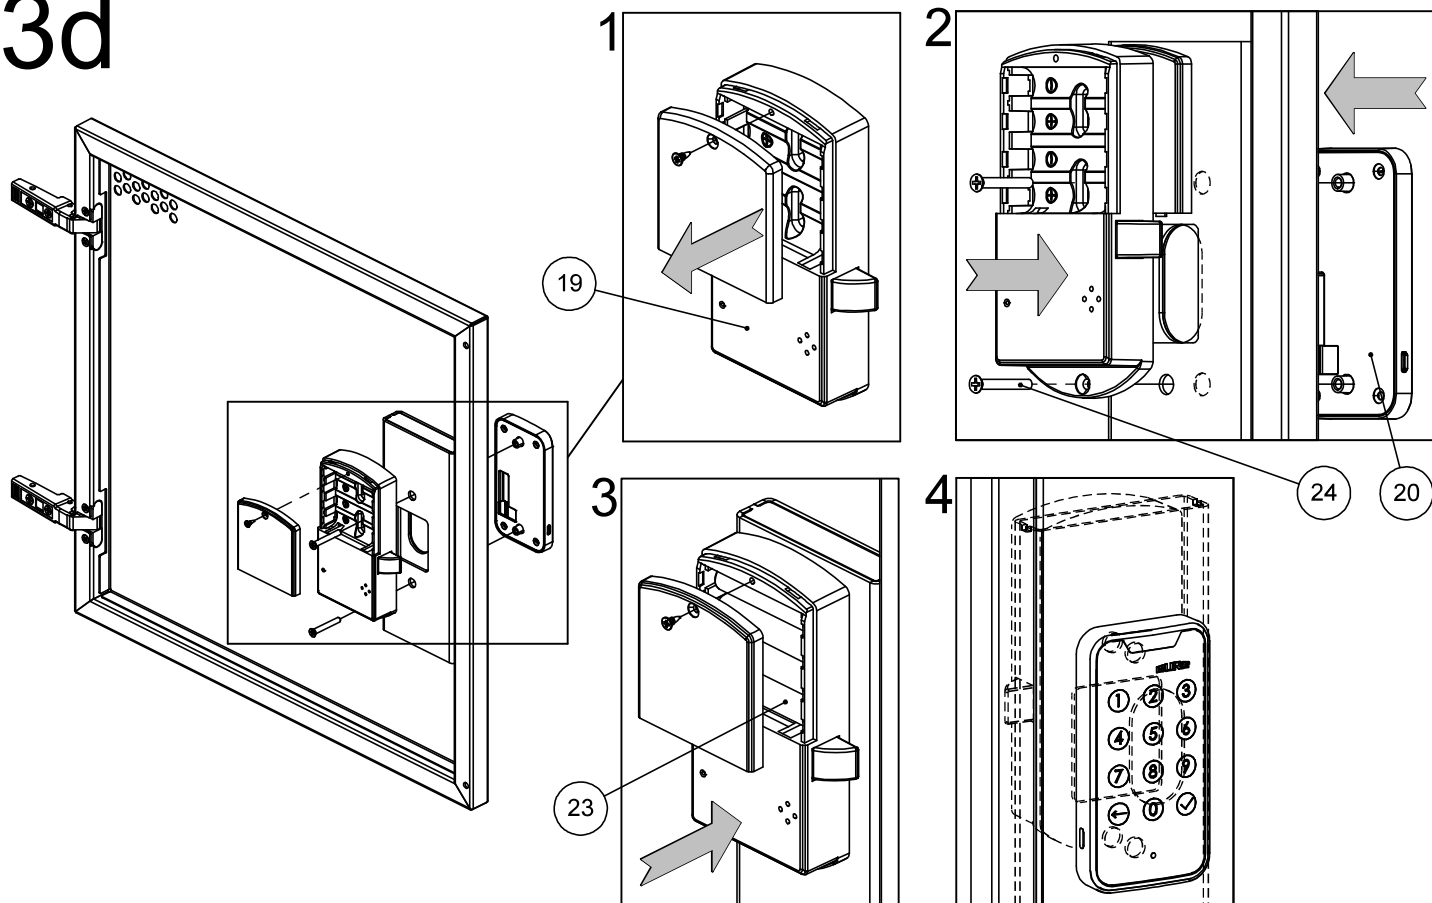

Attention! The lock connection pins (parts No. 15, 16, and 17) may be damaged if not properly aligned during installation. If you feel resistance while tightening, check the alignment of the parts. For more information, refer to the lock manufacturer's installation guide.

Achtung! Die Steckverbinder des Schlosses (Teile Nr. 15, 16 und 17) können beschädigt werden, wenn sie beim Einbau nicht richtig ausgerichtet werden. Wenn Sie beim Anziehen einen Widerstand spüren, überprüfen Sie die Ausrichtung der Teile. Weitere Informationen finden Sie in der Montageanleitung des Schlossherstellers.

Attention ! Les broches de connexion de la serrure (pièces n° 15, 16 et 17) peuvent être endommagées si elles ne sont pas correctement alignées lors de l'installation. Si vous sentez une résistance lors du serrage, vérifiez l'alignement des pièces. Pour plus d'informations, consultez le guide d'installation du fabricant de la serrure.
