

## Laptop Tray

Laptop Tray is a square drawer, with the same height at the front and back, creating a simple and clean look. The drawer comes with a lock and can be mounted under a desk or inside a cabinet, providing secure storage for your belongings.

The drawer is perfectly sized for a laptop and features cut-outs in the back panel for easy cable management.

Item no.: 4050-0000

## Pen Tray Revolving

Pen Tray Revolving is available in black and grey, and is made of PP plastic. It is ideal for storing office supplies and works particularly well in smaller workspaces where space is limited.

The drawer opens by rotating it and can swivel 360 degrees around its pivot point, providing easy access to all items inside.
